**AFFIDAVIT OF LISA OSTELLA**

I, Lisa Ostella am over the age of eighteen (18) and not a party to the within action. I have personal knowledge of the facts stated herein and if called to do so, I could and would competently testify under oath.

I declare the following:

1. In regards to Dr. Taitz's letter filed with the Court January 20, 2010, I wish to limit my response because it seems Dr. Taitz would like to litigate Liberi, et al v. Taitz, et al, which I do not feel is proper in this case.

2. As I stated in my previous affidavit, Dr. Taitz did report me to the FBI as well as several police departments based on false allegations. Matter of fact, she drove around NJ and personally visited several police departments demanding I be arrested. No officer or agent has ever contacted me, or questioned me regarding Dr. Taitz's false accusations, nor

have I ever been contacted by any type of law enforcement regarding any type of alleged crime. This is one of the bases for me being a Plaintiff in Liberi, et al v. Taitz, et al. I am willing to testify to and address any of these issues for your court if you need more information.

3. As for the subpoenas Dr. Taitz is disputing, Dr. Taitz sent me a subpoena form, 982(a)(15.2) to use for the creation and preparation of all the subpoenas. I've never worked in the legal industry before. I had never seen a subpoena before January 2009. I entered the subpoena's form # 982(a)(15.2) in a search engine hoping to find samples of how subpoenas are filled out. The search return took me to the California Court system which told me the subpoena form 982(a)(15.2) was replaced by subpoena form SUBP-010. So I looked to see where I could find a new version and form number. I was able to find a downloadable Microsoft Word (MS Word) Doc form template for SUBP-010 at LawCA.com. LawCA.com converts legal forms to templates for Adobe and MS Word users. I purchased the subpoena template SUBP-010 and downloaded the Word template. The receipt for this subpoena template purchase is attached hereto and incorporated in by reference as **EXHIBIT "1"**.

4. This subpoena template I purchased is run in Microsoft Word (MS Word). The template is not a stand alone form; it is a template that runs from MS Word software. Since it is a template, it is not an emailable blank form.

5. If you notice, at the footer of each of the SUBP-010 subpoena form, attached as Exhibit "A" to my previous affidavit, there is a brand box. In the brand box it shows the form being from this purchased template, LawCA.com. See the enlarged "brand box" attached hereto and incorporated in by reference as **EXHIBIT "2"**.

6. I had to prepare these subpoenas from my computer. I prepared all of the subpoenas, attachments, signed and coordinated with all the volunteers for service as per Dr. Taitz instructions. I have multiple emails between myself and Dr. Taitz going back and forth during the entire process.

7. In addition, I had to fax the completed subpoenas to the volunteers who were serving the subpoenas upon the Governmental Agencies. While compiling these emails for exhibits in this Affidavit, I noticed a typo I made in my January 20th Affidavit to this court. In my January 20th Affidavit, line 7, I stated that I started sending the subpoenas out on January 28, 2009. That date should have been January 26, 2009. I apologize to the Court for this typo. The copies of these emails are attached hereto and incorporated in by reference as **EXHIBIT "3"**.

8. As the proof of services came in from the volunteers that served the subpoenas, I was instructed by Dr. Taitz to upload the subpoenas with the proof of services onto the website for everyone to review, see a copy of this email attached hereto and incorporated in by reference as **EXHIBIT "4"**.

9. The subpoenas Dr. Taitz attached to her letter as Exhibit "A" look like she took the attachments from my Affidavit and altered them. For starters, if you look at the subpoenas attached as Exhibit "A" to Dr. Taitz's letter to this court filed with this Court January 20, 2010, you will see how the copies of the subpoena sheets are cut off at the bottom, which ironically is identical to the subpoenas furnished to this Court in my affidavit filed as Exhibit "1" to Charles Edward Lincoln, III's Brief filed on January 20, 2010. Plus, if you look at Dr. Taitz's Exhibit "A" attached to her letter filed January 20, 2010, you will see at the bottom of the pages the copyright LawCA.com brand box.

10. The only way Dr. Taitz would have a copy of the subpoenas made from the template I purchased, is if she scanned my exhibits in and changed them. I never faxed the subpoena form SUBP-010 to Dr. Taitz. If I had, Dr. Taitz would have had to fax them back to me, in order for me to send them out for service. The attached emails in **EXHIBIT "4"** show that I faxed and emailed the subpoenas to the volunteer servers. None of those subpoenas contain a fax header from California. Moreover, if you look at the fax header located on Dr. Taitz's copies of subpoenas attached to her letter filed with this Court, January 20, 2010, you will see that the time stamp from the fax machine never changes as explained below:

**Dr. Taitz's Letter dated 1/18/10 docketed with this Court 1/20/2010 as Document No. 50**

The above time is military time. As you can see above, the time never changes, which is impossible. If I had faxed these documents to Dr. Taitz as she proclaims, which I did not, the time would have changed on her incoming faxes. I did not fax the subpoenas to her. The page numbers are out of sequence, and Dr. Taitz failed to include pages 3, 4, and 5. What Dr. Taitz is asking this Court to believe is that I faxed her nineteen (19) pages within seconds, which is impossible. I ask this Court to please look at a fax the Court has received that is several pages long, look at the time, it changes. Unfortunately, this is not the first time; Dr. Taitz's has altered documents of mine. See attached hereto and incorporated in by reference as **EXHIBIT "5"** emails bearing my email address which Dr. Taitz altered and forged before placing them on her website. Please note **EXHIBIT "5"** is on file in the Pennsylvania Federal case *Liberi, et al v. Taitz, et al.*

8. The time on the fax headers attached as Dr. Taitz's Exhibit "A" would be Pacific Time zone, 00:50 being 12:50 a.m. the time where Dr. Taitz's is located. The time affixed is the time the recipient fax machine receiving the fax is located. I reside in New Jersey, which is in the Eastern Time zone (3 hours ahead of California).

9. According to Dr. Taitz's fax headers, if I had faxed those subpoenas to her, which again I did not, it would have been at 3:50 a.m. I have young school aged children. I have to be up to get my children ready for school, make breakfast, make my children's and husband's lunches, etc.

10. In addition, there are email exchanges between me and Dr. Taitz. Attached hereto and incorporated in by reference as **EXHIBIT "6"** are the emails exchanged between Dr. Taitz and me. As you can clearly see from the attached email exchanges between me, Dr. Taitz and the volunteers who served these subpoenas, the subpoenas were sent by me to the

volunteer individuals who served the subpoenas and Dr. Taitz was well aware I had prepared the subpoenas.

11. I would like to pursue forgery charges and charges of filing false and altered documents in a Federal Case. This Court is also a victim of Dr. Taitz's falsifications and alterations of documents she claims to be genuine and she should not be permitted to continue this type of behavior, which I believe to be criminal.

12. The reason the subpoenas I created and signed Dr. Taitz name too, again at her direction and with her authorization is due to the fact, I had to print the form created on the template I purchased, then fax the copy from my fax machine to my computer into PDF format, as shown on the attached emails as **EXHIBIT "5"**, to the volunteers serving the subpoenas.

13. What is more interesting in Dr. Taitz's letter on page 3 is she claims there are only seven (7) documents which I signed or affixed her signature to. Again, Dr. Taitz directed me and authorized me to sign her name to the subpoenas, which there were far more than seven (7) as shown in my affidavit. Dr. Taitz then claims that she signed the subpoenas and I erased her signature out and affixed a different one. That makes absolutely no sense and there would be no reason for me to do that. The subpoenas were served for materials from Government Agencies to benefit Dr. Taitz's case, a case I had nothing to do with except administrative support I supplied to her at the time. Moreover, as mentioned above, if Dr. Taitz signed the subpoenas, which she did not, and faxed them back to me to coordinate the service, as she proclaims, where is Dr. Taitz's fax header? It does not appear on the subpoenas which I prepared, signed her name to and had served, but more interesting it does not appear on her Exhibits either.

14. Dr. Taitz's also attached as an Exhibit with this Court (Dr. Taitz Exhibit "D") an altered print out of my blogsite to support her statements to this Court accusing me of soliciting and stealing donations of hers. The soliciting and stealing donations as well as the arguments about this blogsite are part of the Federal case, *Liberi, et al v. Taitz, et al.* Since Dr. Taitz has introduced and filed altered and forged documentation with this Court in an attempt to discredit me to the Court, I feel it necessary to show the Court how she has altered the documents filed as her Exhibits..

15. The print out (copy of blogsite page as Dr. Taitz's Exhibit "D") provided by Dr. Taitz, is copied and pasted in several areas to block out and remove numerous items which appeared. Dr. Taitz has typed in items, that did not appear on the page as of that date, in the side bar, of which, the font doesn't even match. Attached hereto and incorporated in by reference as **EXHIBIT "7"** is a copy and printout of the actual article she removed during her (Dr. Taitz's) altering process. Notice the large white area in Dr. Taitz's Exhibit "D", this is where my article was. Please read this article and you will understand why she (Dr. Taitz) removed it.

16. The article removed from the print out provided by Dr. Taitz, is me defending the allegations from Dr. Taitz of theft of her foundation funds. She supplied an erroneous PayPal statement to a radio show for them to broadcast to their audience, which was "supposed" 'proof' that I stole from her. I explain in the article, where I supplied a print out of my own PayPal account, that her statements were false and fabricated. This is why she deleted my article on this altered webpage which she filed with this Court on January 20, 2010 in her (Dr. Taitz's) Exhibit "D".

17. Now, on my **EXHIBIT "7"** that I've attached to show the actual article, shows the actual right hand sidebar and as this Court can see, is different than that on the copy Dr. Taitz's has supplied to this Court in her Exhibit "D". My **EXHIBIT "7"** is only to represent the article she has altered. **EXHIBIT "7"** unfortunately does not contain the full header and sidebar of my blogsite at the time I posted my article which was in or about May 2009. Because I had updated my software in or about November 2009, my blogsite head and sidebar had changed since May 2009. I looked through web archives and caches for what exactly the blogsite looked like in May 2009, the time I posted this article, and was unable to find one.

18. There are other items in the sidebar that have been altered in Dr. Taitz's Exhibit "D". For instance, Dr. Taitz blocked out and removed "Community Network" that was showing above the Tip Jar. In Dr. Taitz's altered copy of this blogsite, she has changed the wording above the Tip Jar to say "HELP OFFSET THE COSTS OF DEFEND OUR FREEDOMS". What it actually said and read was: "HELP OFFSET THE COSTS OF DEFEND OUR FREEDOMS COMMUNITY NETWORK".

19. I own DefendOurFreedoms: COM, NET, US, and INFO. I've owned them since December 2008. Dr. Taitz did not start using my blog site until February 2009. Nor did she have a log in (admin panel) until this time either. I build what I call Community Sites, which I have done since 2001.

20. The Defend Our Freedoms Community Network was a collection of DefendOurFreedoms domain sites that contained a Portal which owned a custom search engine, library, media pages with radio shows uploaded, and various other data. It was not just a blog site.

21. Dr. Taitz only used (borrowed) my website from February 2009 to April 2009; she did **not** own this blog site as she is claiming.

22. In the altered copy of this blog site provided by and filed with this Court by Dr. Taitz as her Exhibit "D", the copy was changed by Dr. Taitz to read "CAN'T DONATE? RAISE MONEY!" with a faded line (sentence) under it. The faded sentence **actually said "Run an auction. Earn money for yourself while you are raising money for DOFF"** and **only appeared when Dr. Taitz was using my blog site, where she had her own PayPal donate button affixed on the blog site from February to April 2009** not a day before or after. During this time, February to April 2009, Dr. Taitz blog site was linked to the auction site I built years ago. I configured my auction site to pay a percentage of commissions as a referral fee to the referrer.. This is what was meant by "earn money for yourself while you raise money." But I took that link down when Dr. Taitz and I parted ways in April 2009.

23. During some investigation, I later learned that the Nonprofit Tax ID Number Dr. Taitz supplied for her "supposed" Foundation, Defend our Freedoms Foundations, Inc. 26-4328440, did **not** exist. I also learned from a retired IRS accountant that all monies are taxable and she (Dr. Taitz) needed to claim hacking and theft of her (Dr. Taitz) PayPal in order to claim a loss of monies coming in, to the Internal Revenue Service (IRS), so she would **not** have to pay the taxes.

24. This is why she (Dr. Taitz) became so malicious and vindictive to the fact that I would **not** back (substantiate) her (Dr. Taitz) false reports she had made to the FBI, Sheriffs Department and other agencies of "hacking" of her website and PayPal account. Her claims of loss donations due to cyber attacks were unsubstantiated without my support of the claims as her webmaster. It should also be noted, Dr. Taitz has claimed "hacking" of her PayPal

account numerous times and has accused several different people to this day. I understand this issue is really not before this Court, however, since these allegations were made by Dr. Taitz to this Court, I felt I needed to respond and needed to point-out the altered material Dr. Taitz filed with this Court.

25. If this Court would like additional information, it can be obtained from the Liberi, et al v. Taitz, et al case; or I will supply more information to this Court, if requested.

26. Dr. Taitz next states that Lisa Liberi, Philip J. Berg, Esq. and me colluded to harass and defame her. This is completely out in left field. It has been Dr. Taitz who has slandered, libeled, falsely accused, lied, manipulated documents, invaded our privacy and other acts that caused us to file suit against her and that is where the Federal Case, Liberi, et al v. Taitz, et al originated. There are over 760 pages of evidence and affidavits supporting our claims of the horrible and demeaning acts of Orly Taitz towards all of us. Now she has extended this to include Charles Edward Lincoln, III. Dr. Taitz has a history of this behavior towards people including Federal Judges (Judge Clay D. Land, GA and Judge David O. Carter, CA), law enforcement, a United States Supreme Court Law Clerk, Danny Bickel and a United States District Court Clerk Siddharth Velamoor (Law Clerk to Judge Carter in California).

27. I am not even going to address the nonsense stated by Dr. Taitz regarding Mr. Berg and Lisa Liberi. Dr. Taitz's statements are ridiculous. However, I would like to address Dr. Taitz's statements that she "**inadvertently**" published Lisa Liberi's social security number only one (1) time and when it was brought to her attention she redacted it. This is completely false and a lie to this Court.

28. Dr. Taitz **published** Lisa Liberi's full social security number as well as other very personal, private, confidential information in what Dr. Taitz's calls her dossier #6. Dossier #6 has been **published** by Dr. Taitz with Lisa Liberi's full social security number in excess of 140,000 times, by Dr. Taitz's own admissions, which includes mass certified mailing, mass emailing, posting on websites, posting on her own websites, entering it into search engines, sending it internationally. Actually, there really is no way to calculate the continuous **republications** since Dr. Taitz has leverage e-publication through the social networking sites and crosslinks on blogs. This Dossier continues to be **republished** electronically, with Mrs. Liberi's full social security number, to this day. Dr. Taitz still has not redacted the social security number of Lisa Liberi or others that Judge Robreno ordered her to back in June 2009 on blog sites that she, herself posted. And, contrary to Dr. Taitz's false statement that, the number she published is not Lisa Liberi's, it is in fact Lisa Liberi's social security number, again as explained and proven in the Federal case, *Liberi, et al v. Taitz, et al*, this clearly is just another deception by Dr. Taitz's upon this Court.

29. Dr. Taitz's statements on page 6 that she believes that Berg, Liberi and me were afraid of criminal indictments and decided to silence her. This is completely unbelievable and absurd. Dr. Taitz did everything in her power attempting to have Lisa Liberi and me arrested on **false** allegations. Dr. Taitz filed false criminal reports against us with the Orange County Sheriff's Department; FBI and our local authorities. Dr. Taitz posted on her website several times for all her "supporters" and "followers" to call the law enforcement agencies where she believes we reside to have Lisa Liberi and me arrested. And what criminal indictments were Mr. Berg, Mrs. Liberi and myself afraid of? This makes no sense.

30. As for Dr. Taitz's statements on page 7 "I constantly expose criminals..." This is absurd also. Dr. Taitz accuses every one who disagrees with her of crimes. I've been finding her statements of crimes to be projective.

31. As far as Dr. Taitz's statements and accusations to this Court, I have not forged anything; I have been completely honest with this Court and am willing to testify to these matters before this Court.

I declare under the Penalty of Perjury of the Laws of the United States that the foregoing is true and correct.. Executed this 25 day of January 2010 in the State of New Jersey.

Hi Lisa,

I live in McLean, VA and have supported Orly Taitz's work; I introduced myself to her, Bob Schulz and Rev. Manning at the Washington Press Club Conference, then as a member of the democratic-disaster group (which now has morphed into another organization that I no longer follow). I am a regular at the ObamaCrimes blog using my full name: Michele Pecora

I am willing to help with the subpoenas.

Faxing to you as I type, 2 subpoenas. 1 for Patrick Fitzgerald, 1 of the main US Attorney office in Chicago. Included is a page called Attachment 3. That goes with each subpoena. There also are 2 proofs of service that need to be filled out by whomever does the serving. The Executive Order they serving is being done under is also included.

Now, Orly wanted the case filings to be included with these subpoenas. I did snail mail those case filings with my subpoenas. If you want to included them with the hand delivered ones, I can fax those too. But I will have to do that when I get back. I need to leave to get my kids from school. The case filings are a total of 45 pages.

Do you want those sent too? Or do you the the receipt of them in mail is enough?

You can try 847-328-3733.

If that doesn't work I need to use our home number with my other fax machine which is not on a dedicated line.

Lisa

I don't think it will do us any good. I believe COLB was issued based on a story by a grandma, so they will verify that he was born in HI.

Do you have the subpoena for Annenberg ready?

Can you post the subpoenas on the blog?

Is this the procedure we need to follow to verify the information on certificate number 151 1961 - 010641?

### **Letters of Verification**

Letters of verification may be issued in lieu of certified copies (HRS §338-14.3). This document verifies the existence of a birth/death/marriage/divorce certificate on file with the Department of Health and any other information that the applicant provides to be verified relating to the vital event. (For example, that a certain named individual was born on a certain date at a certain place.) The verification process will not, however, disclose information about the vital event contained within the certificate that is unknown to and not provided by the applicant in the request.

Letters of verification are requested in similar fashion and using the same request forms as for certified copies.

The fee for a letter of verification is \$5 per letter.

Lisa

I don't think it will do us any good. I believe COLB was issued based on a story by a grandma, so they will verify that he was born in HI.

Do you have the subpoena for Annenberg ready?

Can you post the subpoenas on the blog?

Is this the procedure we need to follow to verify the information on certificate number 151 1961 - 010641?

### **Letters of Verification**

Letters of verification may be issued in lieu of certified copies (HRS §338-14.3). This document verifies the existence of a birth/death/marriage/divorce certificate on file with the Department of Health and any other information that the applicant provides to be verified relating to the vital event. (For example, that a certain named individual was born on a certain date at a certain place.) The verification process will not, however, disclose information about the vital event contained within the certificate that is unknown to and not provided by the applicant in the request.

Letters of verification are requested in similar fashion and using the same request forms as for certified copies.

The fee for a letter of verification is \$5 per letter.

Orly,

This Patrick Fitzgerald letter you faxed to me yesterday, this is a cover letter to go out with the subpoenas to be mailed today?

Second paragraph, 'These are the documents that I would consider most crucial....' insert what we created for Attachment 3 here?

Then customize it for all subpoenas and send regular mail?

As you can see, I sent Orly Taitz \$500.00 in December. I sent it to her Yahoo email account that is labeled Orly Taitz. The PayPal I had a login for was under her Gmail account, orly.taitz@gmail.com. That site was labeled Defend our Freedoms Foundation that I was listed as a customer service contact for at my hotmail email and my 800#.

That \$500.00 I sent Orly was to cover the Lightfoot v. Bowen filing. Once she started getting donations, she refunded it to me.
